

The Program in Gender and Sexuality Studies  
announces a new semester II course

**The Laws of Violence:  
Lawful Killings in Law Enforcement,  
Punishment, War, and the War on Terror**

**GNSS 1960L – CRN 15145**

**Prof. Arnulf Becker Lorca**  
**Mon, 3:00 pm - 5:20 pm**

States kill. This seminar introduces the basic elements of conventional theories of law and state, and explores the centrality that legalized violence play in both the constitution of the law and the state.
